

## Milwaukee Chapter ISCEBS Program Employee Benefits Legal Update Thursday, December 7, 2017

Federal and state legislation, administrative regulations, and the decisions made in America's courts impact every aspect of employee benefits. Are you aware that the Department of Labor is seeking to appoint a Deputy Assistant Secretary in charge of Association Health Plans? Where will it end? Do you know what is required moving into 2018 and beyond? Is governmental rulemaking anticipated to increase?

Please join the Milwaukee Chapter in welcoming our speaker, Charles Stevens, from Michael Best & Friedrich LLP. Mr. Stevens will provide a comprehensive overview of the latest on a variety of legal employee benefit issues in the form of legislation, regulation and litigation. Bring your questions and join us for this interactive presentation.
