DFW ISCEBS Luncheon Emerging Trends and Employer Solutions June 14, 2018

Please join the DFW chapter of ISCEBS on Thursday, June 14th for "Emerging Trends and Employer Solutions" at Maggiano's.

As we know all too well, it's difficult to predict what our elected officials will do from one day to the next. Fortunately, insurance industry trends are a little easier to predict, and they're actually more important since they represent the reality our clients have to deal with on a daily basis. In this course, we'll take a look at some of those trends as well as the innovative solutions that are emerging to help our clients deal with them.
