## Webinar: Trends With Benefits

Please join the Central Indiana Chapter on December 16th for a webinar "Trends With benefits".

Are your retirement benefits fizzling? Come "speed date" through some of the latest trends in retirement and learn ways you can step up your game. From industry regulations to new technology, and plan design features, see what other employers are up to and how to offer a more competitive benefit to your employees.

Learning Objectives:

- Gain perspective on new technology and design features available in for employer-sponsored retirement plans
- Understand new retirement regulations and how it may affect your organization
- Identify what trends make sense for your organization and how to implement these for your workforce

### SPEAKER

**Brea Dantin**  
**Co-Founder | Retirement Plan Advisor**  
**ProCourse Fiduciary Advisors**

Brea is Co-founder and COO of ProCourse Fiduciary Advisors and has specialized in retirement savings and employee benefits for nearly 20 years. The retirement plan industry found Brea and it was the right fit from the start. Working with people and being able to coach those who need financial support feels natural to Brea. The challenge to get groups of employees on track for retirement is what keeps her going.

Brea is responsible for overseeing the operations program for the firm as well as advising retirement plan committees. Her diverse experience gives her an unparalleled pulse on trends in the retirement plan industry which she leverages to assist clients in improving their plans for both plan sponsors and participants alike. Prior to starting her career at ProCourse, she received her BA in Spanish from the University of Evansville and is a proud Indiana resident.
