

Fundamentals of Group Benefits Plans

May 30 - June 3
12:00 - 1:00 EST
2022 Webinar Series

Presented by the Toronto Chapter of the International Society of Certified Employee Benefit Specialists (ISCEBS)

Are you new to the benefits industry or wish to learn more about group benefits? Join us for our annual Fundamentals program.

This time-tested program is not only an excellent opportunity for seasoned benefits & HR professionals to round out their knowledge in non-core practice areas, it is also a must-have for those who are new to or have recently entered the group benefits practice..

ISCEBS is a community of benefit professionals providing educational tools, innovative thinking & collective wisdom, and local networking opportunities to help members excel in their careers.

Register Today! You are not required to have your CEBS designation to register.
