## WEBINAR: How Do Social Determinants of Health (SDOH) Affect Benefits?

Join the Capital Chapter ISCEB for an informative discussion on the social determinants of health and how it affects benefits. SDOH is the current buzzword. Learn about what they mean, how they're measured, and how knowledge about them can shape responsive healthcare benefits.

**DATE:** Tuesday, May 24, 2022

**TIME:** 9:00 - 10:00 am Eastern

### SPEAKER

**Christina Stasiuk, DO, FACOI Market  
Medical Executive – Mid-Atlantic Region  
Chairwoman – Physician Leadership Development Program  
National Medical Director – Health Equity Council (2011-2018)  
National Medical Director – Taft-Hartley and Federal Segment  
(2008- 2015)**

Dr. Christina Stasiuk is a recognized leader, team builder, and innovative thinker who brings to life initiatives that improve health for individuals and communities. She joined Cigna full time in 2003 after 14 years of solo practice in internal medicine.

Dr. Christina uniquely incorporates humanistic thinking in problem solving resulting in Cigna's Health Equity Council receiving the Surgeon General's Medallion, Black barbershops becoming centers of health information in partnership with the Center of Health Equity at the University of Maryland, and Cigna's Physician Leadership Development Program becoming a nationally recognized pipeline for clinical leadership and retention. She is a member of the American Osteopathic Association, the Minority Health Committee of the American College of Osteopathic Internists, the Medical Society of Virginia, The Pennsylvania Medical Society, the Philadelphia County Medical Society, the editorial board of "American Health & Drug Benefits", the Greater Washington Board of Trade Task Force for the COVID-19, and is the Secretary of the Executive Board of the Virginia Center for Health Innovation.

Dr. Stasiuk graduated from the New York College of Osteopathic Medicine and was named a fellow of the American College of Osteopathic Internists. She holds a bachelor's degree in biology from the University of Buffalo and a master's degree in natural sciences from Roswell Park Memorial Institute. An avid hiker and charity-sponsored 5K participant, Dr. Christina also volunteers for organizations such as Lyric Fest, Philadelphia Academies, and the City of Philadelphia – Medical Reserve Corps. She is eagerly sought out as a speaker, a mentor for professional development, for crochet tips, and for restaurant recommendations in Philadelphia.
