

The Pacific Northwest Chapter of the
International Society of
Certified Employee Benefit Specialists

WEBINAR
Join Us!
June 8, 2022
10:30 - 11:30 am Pacific

A deep dive into trends within employee paid, employer paid and supplemental insurance options in today's climate.

TOP TAKEAWAYS

- Discussion to provide employers with an edge in achieving bottom-line success via employee benefits
- Help employers attract and retain quality employees – especially important in light of “the great resignation” and increased competition for talent
- Allow employers to design benefit programs relevant to multi-generational, multi-cultural employees and their families
- Find ways to help employers hold down benefit costs via contributory or employee paid insurance options
- Help protect plan members from financial loss and help their secure future

The cost for this webinar is \$10 for non-Pacific Northwest Chapter members.

Speaker

John Keating
Employee Benefits Sales Representative
Mutual of Omaha

John Keating is a 30-year veteran within the Employee Benefits Industry. John brings with him a wide variety of skills - from Underwriting, Operational Efficiencies, Enrollment and Communication Tools as well as designing benefit programs with our Employee Benefit Brokers.
