

Committee Volunteer

The Governing Council will be making committee appointments for 2024. In order for the Council to identify qualified Society members, individuals interested in serving on a Society committee should complete this form, including the background information on the reverse side. Return the form to the Society at iscebs@iscebs.org.

Committee members are appointed for a one-year term and are expected to attend the one-day committee meeting each year, usually held at Society headquarters in Brookfield, Wisconsin. Volunteers are reimbursed for their travel and out-of-pocket expenses in accordance with Society policy. Committee members also may be asked to assist with other Society projects and activities. **You must have your CEBS designation.**

Please indicate your committee preference at right. You may check more than one committee.

Symposium Education Planning

U.S. Tracks

Its basic charge is to review session proposals and plan the educational content for the annual Symposium. The committee meets in January in Chicago, Illinois.

Canadian Track (via conference call)

Its basic charge is to review session proposals and plan the educational content for the annual Symposium. The committee meets in February via conference call.

Membership and Local Chapter

Its basic charge is to make recommendations to the Governing Council regarding membership services and activities as well as the growth and development of local chapters. The committee generally meets in early March at ISCEBS headquarters in Brookfield, Wisconsin.

Professional Development

Its basic charge is to make recommendations to the Governing Council regarding professional development programs and activities for Society members as well as to provide guidance for *Benefits Quarterly* topics. The committee meets in mid-April at ISCEBS headquarters in Brookfield, Wisconsin.
