Canadian ISCEBS Annual Continuing Education Course

Continuing Education Credits

Certified Human Resources Professional (CHRP)

Passing the ISCEBS Continuing Education course can be used to meet your recertification requirements. 30 credit hours are awarded for each track. Your pass notice from the Prometric Testing Centre is your proof of satisfactory completion. CHRP recommends you retain all supporting documentation for at least six months after successful recertification. No further documentation is needed from the International Society.

Group Benefits Track: 30 General hours
Group Retirement Track: 30 General hours
Combined: 60 General hours

Insurance CE Credit

ISCEBS recommends 30 credit hours per course/track in British Columbia, Ontario and Saskatchewan.
