Examination Procedures, Course Materials and Fees

Only Society members may file an exam application.
The Society is offering virtual online testing for the Fellow exam this year. This option is designed to alleviate possible testing obstacles and hardship you may encounter with onsite testing centers.
The filing fee is not refundable or transferable to another year or another individual. Course material fees are not refundable.

This exam qualifies for CEBS Compliance credit.
The combined course fully satisfies the 30 credits needed for this reporting cycle; the health or retirement track each earns 15 credits.
The \$25 CE reporting fee does **not** apply to CEBS Compliance credits.

U.S. Examination and Course Materials

Testing window is April 15 through **October 31, 2021**, and the test offers immediate scoring. Testing appointments for your computer-based test can be made as soon as you receive your confirmation letter.

U.S. 2021 Fellow Courses— Licensing and Professional Credit Information

Many members use the Society's Fellow courses to meet licensing and other professional continuing education requirements. The following information is provided to give you a basic understanding of the continuing education credit available to Society members. If you have any questions, please call the Society office at (262) 786-8771.

2021 Course

STATE LICENSING AND PROFESSIONAL CREDIT INFORMATION INSURANCE PRODUCERS

Insurance CE Credit

ISCEBS will seek approval of the Fellow courses only in states where this service is requested on exam application forms. To obtain continuing education credit, some state insurance boards will require:

- A proctored exam
- A signed self-attestation form

The state approvals will be posted at www.iscebs.org as they are received. If there is no indication that the course is pending approval in your state, you **MUST** contact us and request credit at least **45 days** prior to taking the exam. If your state is not approved, the last day to request CE will be June 21, 2021. **Do not sit for your exam until your state has been approved. Check with your state board to find out whether you need a proctored exam environment (take your exam at Prometric), or if you can take it in a non-proctored environment (choose to take at Prometric or through the non-proctored virtual environment).**

A list of hours approved for last year's courses is available at www.iscebs.org and can be used as an *approximation* of the number of hours that could be granted for the 2021 course.

Certified Financial Planner (CFP®)

The 2021 courses will be submitted to the CFP Board of Standards for approval. In 2020, the health track was approved for four and a half (4.5) credit hours, the retirement track for eight (8) credit hours and the combined exam for twelve and a half (12.5) credit hours.

Attorneys

State regulations vary as to whether self-study courses are accepted for credit. Attorneys in most states can seek approval of the continuing education course from the State Bar/Commission on Continuing Legal Education. The \$25 service charge does not apply.

IRS Continuing Education

Continuing education credits are not available for the 2021 Fellow exam for EAs and ERPAs.

CPAs

Contact your State Board of Accountancy for information on self-reporting of designation courses. The \$25 service charge does not apply.

Enrolled Actuaries

ISCEBS is a qualified sponsor of continuing education programs for enrolled actuaries under Section 20 CFR Part 90(g)(2)(iii) of the final rules and regulations governing those enrolled to perform actuarial services under ERISA. It is the actuary's responsibility to identify "core" and "noncore" hours of credit. The \$25 service charge does not apply.

HRCI Credit for PHR®, SPHR® and GPHR® Recertification

HRCI awards 30 credit hours for each ISCEBS Fellow examination passed. Your pass notice is your proof of satisfactory completion. HRCI recommends you retain all supporting documentation for at least six months after successful recertification. No further documentation is needed from ISCEBS. The \$25 service charge does not apply.

SHRM-CP, SHRM-SCP

The 2021 ISCEBS Fellow courses will be submitted to SHRM for 30 credit hours for each ISCEBS examination passed. A certificate with the activity ID number will be sent upon completion if requested on registration form.

Do not sit for your exam until your state has been approved. Check with your state board to find out whether you need a proctored exam environment (take your exam at Prometric), or if you can take it in a non-proctored environment (choose to take at Prometric or through the non-proctored virtual environment).
