## ► Information Center

Members of the International Society of Certified Employee Benefit Specialists enjoy many benefits of our community, including unlimited access to the Information Center.

This is no ordinary information center, as it houses the largest collection of benefits-related periodicals, books and surveys, including tens of thousands of articles organized under more than 500 topics! The Information Center also subscribes to a number of searchable online sources in the benefits and human resources fields, allowing us to give you the most up-to-date information.

Members receive personalized research based on questions or a need for information. Make requests via e-mail, phone or website; within 48 hours, an e-mail will be sent that contains pdfs of articles, surveys and other support documents to provide you with insight into the challenges you face.
