## ▶ Legal and Legislative Trackers

Members of the International Society of Certified Employee Benefit Specialists enjoy many benefits of our community, including the legal and legislative trackers.

The Canadian Legislative Scorecard lists selected proposed legislation of interest to members of the pensions and benefits industry. Updates are included in *Today's Headlines*, which is e-mailed to members daily.

The U.S. Legislative Tracker includes selected proposed and enacted legislation related to employee benefits and compensation from the current session of the U.S. Congress.

Both the Scorecard and Tracker are searchable databases—Sort by topic area, provincial/federal legislation and more.
