## ▶ Local ISCEBS Chapters

Members of the International Society of Certified Employee Benefit Specialists enjoy many benefits of our community, including the local ISCEBS chapter network.

Build your professional network through ISCEBS local chapters across North America. CEBS graduates and students all benefit from this community of professionals. The Internet has made it easier to connect with others, but it can never replace face-to-face networking and education. Chapter education programs aren't sales pitches, and there are no high-pressure tactics. It's a chance to locally continue the education you began with the CEBS program, with education targeted to the issues you are dealing with at the provincial or state level.
