

# Spotlight on...

## ▶ Annual Symposium

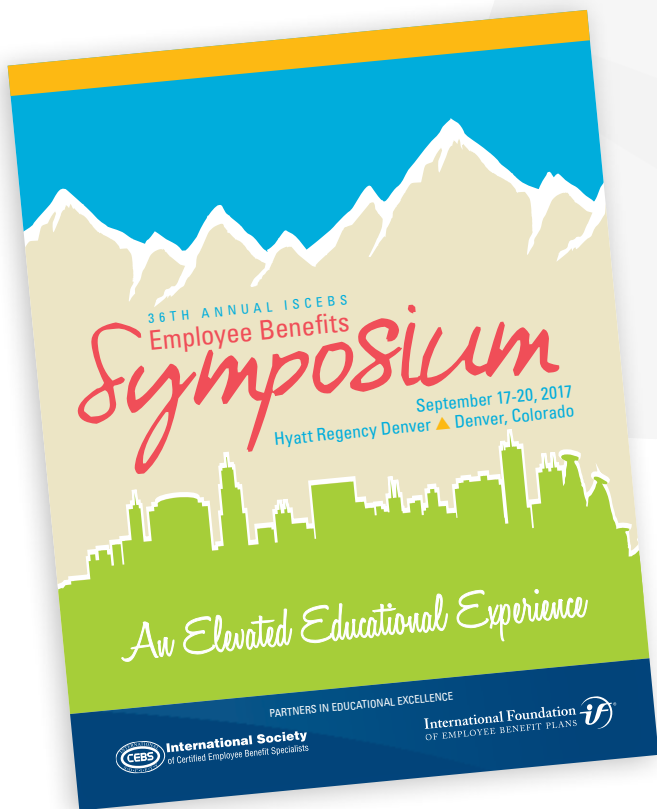

Members of the International Society of Certified Employee Benefit Specialists enjoy many benefits of our community, including the Annual ISCEBS Employee Benefits Symposium.

The Symposium is a comprehensive 2½-day program offering a stimulating and challenging setting to get tools and solutions to some of the toughest problems employers face. The agenda is organized into four separate tracks—health, retirement, general, and a track dedicated to Canadian benefit issues.

It's not just what you learn at the Symposium, but who you meet. Benefits is an industry built upon networking. During the time spent at the Symposium, you'll have a second-to-none opportunity to connect with more than 500 of your peers from across North America. Solidify business relationships and personal connections at the Symposium. It's a "right-sized" conference for benefits professionals.

The 2017 Symposium will be held September 17-20 in Denver, Colorado.

**Leverage the benefits available to you through Society membership!**
