## DFW ISCEBS Luncheon Healthcare Consumerism: How Companies Can Make Specialty Pharmacy Drugs More Affordable February 8, 2018

Join the DFW chapter of ISCEBS for our February program "Healthcare Consumerism: How Companies Can Make Specialty Pharmacy Drugs More Affordable" on Thursday, February 8, 2018 at Maggiano's.

Most employers spend nearly 20 percent of their overall healthcare budget on prescriptions -- and for the second straight year, employers ranked specialty pharmacy as the main cause of health plan cost increases, according to a recent survey by the National Business Group on Health. In this presentation, our speaker, Dr. Eric Bricker, Compass Chief Medical Officer, will discuss:

- Highest grossing specialty drugs
- Challenges companies face with specialty pharmacy management
- How to lower specialty pharmacy costs
