

# Capital Chapter ISCEBS

## Attack Your #1 Healthcare Expense Improve Outcomes, Experience and Cost March 15, 2018

The Capital Chapter ISCEBS invites you to join us for this informative and engaging program with speaker, Dr. Chris Cato, VP Clinical Strategy, Airrosti.

Musculoskeletal conditions are the costliest and most rapidly growing group of diseases in today's healthcare space, causing lost time from work, family, and activities. Employers, health plans and individuals are looking for a better solution.

Participants will:

- Learn aspects of an ideal musculoskeletal engagement and wellness program
- Learn how outcome-based care solutions can deliver measurable results
- Understand how Value Based Benefit design can improve cost

**Dr. Chris Cato**  
VP Clinical Strategy  
Airrosti

Dr. Chris Cato received his undergraduate degree from Midwestern State University in Wichita Falls, Texas, and continued his education to receive his doctoral degree of chiropractic from Parker University. At Parker, Chris graduated with honors, Summa Cum Laude and Valedictorian, in 2003.

As a founding doctor, Chris joined the Airrosti team in 2004 as an Airrosti Certified Provider, and launched practices in Houston, Dallas, Austin, and San Antonio. Currently serving as Vice President of Clinical Strategy, Dr. Cato's overall responsibilities include providing clinical expertise for ACOs, health systems and carrier partners while implementing and evaluating disciplined clinical pathways that place a priority on quality and evidence-based standardized processes. He also provides support in evaluating and maintaining Airrosti's clinical standards throughout Airrosti's provider group with a focus of reducing clinical variability and improving clinical outcomes.
