

Toronto Chapter ISCEBS

Leadership Is Only Half the Story Thursday, August 16, 2018

The Toronto Area Chapter of the International Society of Certified Employee Benefit Specialists, in partnership with the Human Resources Professionals Association (HRPA), presents an exciting professional education opportunity on August 16, 5-7 pm.

There is a notion that everyone should be a leader all the time and, if leadership is so game changing, we must need more of it from everyone, all the time. In fact, research shows that it takes both roles – leadership AND followership – to get the best results. They are equally valuable. Leadership is one half of a partnership.

Dr. Marc Hurwitz and Samantha Hurwitz offer a fun, interactive session with a host of new ideas and practical advice from their highly regarded book, *Leadership is Half the Story: A Fresh Look at Followership, Leadership and Collaboration*, (University of Toronto Press, Rotman-UTP Publishing), which presents a radical new approach that will change how you think about leadership.

The program will begin with brief presentations about ISCEBS and HRPA. The location is central and easily accessible by public transit.
