## DFW ISCEBS Luncheon Rising Cost of Pharmacy February 14, 2019

Please join the DFW chapter of ISCEBS on Thursday, February 14th for "Rising Cost of Pharmacy" at Maggiano's.

Rising Cost of Pharmacy is a recognized and notorious fact. But, the "Why" is less clear. Several abuses collide to cause the spiraling cost in pharmacy such as the Orphan Drug Act, PHARMA lobbying, re-introducing older drugs with high price tags, pharmaceutical companies that market but don't manufacture products, rebates, rare diseases and technology, etc. All of these will be discussed to help brokers and consultants assist their clients in planning, budgeting and preparing for a steady dose of rising costs.
