

## Los Angeles Chapter ISCEBS Why Aren't All Dental Claims Being Paid? May 22, 2019

Please join the Los Angeles Chapter on Wednesday, May 22, 2019 for our education program "Why Aren't All Dental Claims Being Paid?", at the City Club, Los Angeles.

Our speaker is Paul Manos, DDS, Dental Director with United Concordia Dental. Attendees will gain insight on:

- How do we help our clients become educated consumers?
- Medical/Dental Fraud Abuse - how to help our clients to become better consumers
- Review FDA and ADA guidelines
- How to use benefits and keep more money in the client's pocket

### SPEAKER:

**Paul Manos, DDS**  
**Dental Director**  
**United Concordia Dental**

**Dr. Manos is an actively licensed dentist for the State of California and graduated from the UCLA School of Dentistry in 1984. After several years in private practice, he served as an instructor in clinical periodontology and dental anesthesiology before taking on leadership roles in the administration of dental benefit programs. Dr. Manos regularly speaks about the connection between oral health and overall health and has served as the dental advisor for the Orange County Public Schools and as a legislative member of the Westminster Chamber of Commerce. He is a member of the San Fernando Valley Dental Society, the California Dental Association, and the American Dental Association.**
