Northern California Chapter of ISCEBS East Bay Professional Networking Mixer April 12, 2023

Please join the Northern California Chapter on Wednesday April 12th at The Cooperage American Grille for our Networking Mixer.

The workplace benefits world is tougher than ever; especially in the Bay Area. Wouldn't it be nice to unofficially share some of your frustrations and/or successes with other benefits professionals who understand, have similar experiences, and might know verified solutions?! Well now's your chance! Grab your benefits besties and join us for a **non-hosted** social gathering and come connect with other benefits industry professionals.

All benefits/HR professionals are welcome!
