President's Message

We certainly have seen some changing weather recently, from blizzards to summer weather all in the space of a week. You will see some changes for our chapter in 2016 as well. The 2016 Board is very excited about the coming year, and we want to grow our chapter and make it more relevant for you.

We are starting at a good place. We are one of the largest chapters in the U.S., and we are financially sound. Our financial health is strengthened by the contributions we received in 2015 from our sponsors. These sponsors helped make our half-day and full-day educational seminars possible. Thank you to *Aetna, Ameritas, Anthem, Aon Hewitt, BB&T, Cigna, Delta Dental, Guardian, Hartford, Health Savings Administrators, Liberty Mutual, Mercer, MetLife, Optima, RCM&D, SunTrust* and *Unum* for their generous support.

The 2016 Board sends a big thank you to our retiring Board members: Tina Stevens, Mary Riley, and Aimee Poulin. They did a great job and their commitment of time and energy is greatly appreciated. I would like to thank our returning Board members, Rebecca Felts, Hillary Keeton, Sharon Jahn, and Debbie Foster for their continued service to our chapter. We offer a big welcome to our two newcomers—Dustin Shuman and Nick Ciccolo who are bringing fresh ideas and enthusiasm to the Board. And, of course, we also appreciate all of you—our members and guests.

So, what are the changes? First, we are going green! You may recall that in the past we distributed notebooks at our half-day and full-day sessions. This year, we will provide note-taking tools, and the presentations will be provided electronically. They will be posted on our chapter website, www.iscebs-richmond.com, and you can copy the ones you want to keep for reference onto your own computer or onto a flash drive.

We are expanding our check-in and payment process for meetings. Beginning at our February meeting, you can pay at the door using a credit card in addition to cash or check. We still recommend you pay online at our website using PayPal when you register, but we know that isn't always possible.

President's Message, Continued from page 1

Your new Board has plans for new member recruitment activities. As a start, we are moving our annual social to May this year and will invite some new faces along with our chapter members and regular guests. There are many people in the Richmond area who aren't familiar with ISCEBS, and we are going to use the social and some other tools to share the benefits of the CEBS designation and chapter membership. Look for more information about the social soon. This is a great opportunity to network with others in benefits-related roles, meet new people, and to have a good time. We hope that you will attend and bring colleagues to introduce them to the benefits of ISCEBS membership.

Even though we are implementing some changes, we will still continue to deliver education sessions that are pertinent to health and welfare and retirement benefits and compensation in today's turbulent and changing environment. Our first session on February 18 focused on compensation. Looking forward, our half-day health and welfare session on June 9 and full-day retirement and compensation session on September 8 will provide you with important information that can help you stay up to date—and earn continuing education credits.

I am honored and excited to serve as this year's President, and I look forward to seeing all of you at our sessions and getting to know you better. This is your chapter, so please contact me or any of our Board members if you have suggestions as to how we can better serve you. We welcome your ideas.

Jean Robinson, CEBS
President, Richmond Chapter ISCEBS
