

Michael Dobson

Associate General Counsel II, Insurance Regulatory
The Baldwin Group
Tallahassee, Florida

Michael Dobson serves as regulatory counsel for The Baldwin Group, an advisory firm delivering insurance and risk mitigation solutions to businesses and individuals. Between 2019 and 2025, Michael served in various roles at the Florida Department of Financial Services, including General Counsel for the Department, led by Florida's Chief Financial Officer. During his time with the Department, Michael worked on a variety of regulatory matters and advised Florida's Chief Financial Officer on implementation of the Prescription Drug Reform Act (2023), which created many new regulatory requirements for Pharmacy Benefit Managers. He is a graduate of Florida State University College of Law.
