

Alex Fettig, CPSP

Benefits Analyst
Everus Construction Group, Inc.
Jamestown, North Dakota

Alex Fettig is a retirement plan and benefits professional specializing in plan governance, operational compliance, and error correction processes within multi state, multi entity organizations. At Everus Construction Group, she is responsible for ongoing monitoring of retirement plan operations, identifying and resolving compliance issues, developing internal controls, and translating complex plan requirements into clear administrative processes across several operating companies. Her experience spans multiple sectors, including construction, healthcare, and early stage organizational consulting, where she helped establish scalable HR and benefits practices. Outside of her corporate work, Alex is the Executive Director of Birthday Blessings, a nonprofit organization where she oversees governance, financial stewardship, regulatory compliance, and strategic operations. She holds a Master of Science in Human Resource Management and maintains both the SHRM CP and Certified Plan Sponsor Professional (CPSP) credentials.
