

Kimberly Hart, CFA, CAIA

Principal, Investments

Eckler

Toronto, Ontario

A principal in Eckler's investment consulting practice, Kimberly joined the firm in 2022 with over a decade of industry experience. She provides investment strategy advice to a wide range of Canadian institutional clients, including defined benefit and defined contribution pension plans. In addition to consulting responsibilities, Kimberly leads the private equity research team and is a member of the investment research steering committee, which oversees investment manager and strategy research. Kimberly received her bachelor's degree in mathematics and economics from Queen's University, and she holds the Chartered Financial Analyst (CFA) and Chartered Alternative Investment Analyst (CAIA) designations.
