

## **Maracie Wilson, MSN, RN, PHN**

Executive Director, Well-being and Benefits Integration  
Providence  
Renton, Washington

---

Maracie Wilson is an experienced employee well-being strategist with expertise in population health. She leads Providence's system-wide well-being initiatives known for high engagement, measurable outcomes, and multiple national awards for program excellence. A registered nurse by training and a systems thinker by practice, she brings a unique clinical and strategic lens to the evolving conversation on mental health parity.
